

Nahome Wolde-Giorgis

OBJECTIVE

Dynamic and innovative Software Developer with a passion for delivering cutting-edge solutions. Leveraging extensive experience in full-stack development, specializing in mobile applications and progressive web apps, *to drive technological excellence and client satisfaction.*

EXPERIENCE

Elev Homes Inc., Edmonton, AB

Software Developer | June 2020 – September 2023

- Spearheaded the establishment of the front-end development team, leading the conceptualization and implementation of a groundbreaking application connecting students with suitable landlords.
- Collaborated closely with the marketing department to align product modifications with specific business objectives, including the seamless integration of a secure payment system utilizing Stripe financial API.
- Demonstrated proficiency in progressive web development platforms such as Ionic/Angular, ensuring optimal performance across various platforms and devices.
- Conducted comprehensive maintenance updates and rigorous pre-testing via Apple TestFlight, ensuring uninterrupted software functionality.

Nike Factory Store, Edmonton, AB

Sales Associate/Shipping and Handling Lead/Visual Lead | May 2018 – March 2022

- Immersed in the ethos of the Nike brand, delivering exceptional customer experiences through in-depth product knowledge and personalized service.
- Drove operational efficiency as a leader in the stockroom, devising strategies to expedite the processing of new shipments and timely product placement.
- Showcased creativity and innovation in visual merchandising, revitalizing store aesthetics through strategic placement of displays, mannequins, and promotional materials.

EDUCATION

Bachelor of Science in Computing Science, University of Alberta | 2017-2022

- *Specialization in Computing Science complemented by a minor in Business.*
